DAP® WELDWOOD® 0901 Standard (flammable) Solvent

- Use with all WELDWOOD® contact cements
- Cleans tools, brushes, and equipment

Company Identification:

Manufacturer: DAP Inc., 2400 Boston St., Baltimore, Maryland 21224
Usage Information: DAP HELPLINE: 888-DAP-TIPS, 9:00 am to 7:00 pm EST.
Order Information: 800-327-3339
Fax Number: 410-534-2650
Also, visit the DAP website at www.dap.com.

Packaging: 5 Gal, 55 Gal
Color: Clear
UPC Number: 00091, 00092

Product Description:

DAP® WELDWOOD® 0901 Standard Solvent is a clear solvent recommended for thinning contact adhesives, cleaning tools and brushes, delaminating improperly bonded panels or reactivating dried adhesive films.

Suggested Uses:

0901 solvent can be used to thin contact adhesives, Clean brushes and spray equipment, and delaminating bonded surfaces.

Performance Characteristics:

- Flammable
- Reactivates dried adhesive

Surface Preparation & Application:

- To reactivate contact adhesive spray a uniform coat of solvent on each panel and allow to dry. Cover the entire panel so that bond is consistent.
- As a cleaner, soak brushes, rollers, spray tips and other adhesive-coated items in the solvent until all adhesive has dissolved.
- As a thinner, replace lost solvent with 0901. Stir or mix until evenly dispersed. Over-dilution may cause loss of bonding power.
- Delaminate bonded panels by applying solvent to bond line and lift the laminate. Continue to apply solvent and lift the panel until it is completely removed. To reuse the panels, allow them to dry and then reapply fresh adhesive.

CAUTION: This solvent may damage plastic or rubber parts. Do not use near flames, sparks or any ignition source is available.

Physical & Chemical Characteristics:

Odor:	Solvent
Volatile:	Toluene, Acetone and Commercial Hexane
Flash Point:	Below 0°F (see caution)
Weight/Gallon:	6.2 lbs.
Color:	Clear Liquid
Consistency:	Water-like liquid
Shelf Life:	2 years in tightly sealed container
Storage:	Tightly capped container, cool dry (<70°F)

MSDS No.: 31001

Clean Up:

Wash skin with soap and water.

Safety:

See product label or Material Safety Data Sheet for safety information. You can request an MSDS sheet by calling 888-DAP-TIPS or by visiting our website at www.dap.com.

Warranty Information:

DAP Inc. warrants that this product, when used in accordance with label, technical bulletins, and applicable industry standards, will be free from defects in material and manufacture for 12 months from date of purchase. If a product defect is encountered, then DAP's **sole liability** is to either supply new product or refund the purchase price, at DAP's option. **This warranty excludes all other express or implied warranties, including the implied warranties of merchantability and fitness for a particular purpose.** DAP will in no event be liable for any incidental or consequential damages. Any claims shall be deemed waived unless made in writing to us within 30 days from the date it was, or reasonably should have been, discovered.
